## Warranty

---

Let us protect you against increasingly costly repairs!

## Frequently Asked Questions

### Do I need an extended warranty?

If you are like most people, you intend to keep your vessel for between 3 to 5 years. As your vessel ages and in particular, after your factory manufacturer warranty has expired, the risk of failure or breakdown increases.

AWN warranties are specially designed to help reduce the financial impact of unexpected and potentially expensive mechanical repairs when you can least afford it.

### Do I have multiple coverage options for my Vessel?

We know that everyone's circumstances differ, so at AWN, we offer a variety of extended warranty products to suit your coverage requirements and your budget. This allows you to choose the level of coverage that best protects you against unforeseen repair bills.

### Where can I service my Vessel?

AWN strives to exceed every customer's expectations by providing you the flexibility to have your vessel serviced at a licenced workshop of your choice.

### Where can I have my Vessel repaired?

If a problem occurs, whether at home or interstate, we have you covered with over 1200 (twelve hundred) approved repairers Australia-wide.

### Can I transfer my extended warranty?

The benefits of your AWN warranty are transferable with your vessel, adding value to your vessel when it's time to trade-in or when selling your vessel privately.

### Do I have to pay an excess when making a claim?

AWN aims to provide you with a quick, seamless and stress free claims experience. When making a claim, there are no hidden fees, or excess to pay. You also don't have to worry about paying for an approved repair and then wait for reimbursement, as we will pay the approved claim amount direct to the AWN approved repairer.

## Reasons Why You Need An **AWN Warranty**

One of the most enjoyable things that you can do in life is boating. Just imagine yourself lying there on a boat anchored adjacent a beautiful sandy beach without any care or worry in the world. We all need to get away from the everyday grind that has become part of our lives; somewhere in complete isolation, preferably with no mobile phone reception.

Whether your looking at purchasing a tinny, or a boat large enough to have the comforts of modern living, Australian Warranty Network has an extended warranty to suit your coverage requirements and budget, allowing you to choose the level of protection that best protects you against costly mechanical repairs.

Our warranties are designed to help reduce the financial impact of unexpected and potentially expensive mechanical repairs to your Vessel. At AWN we are focused on providing our customers with a quick, seamless and stress free claims experience.

- Established in 1992
- Unlimited Hours
- No excess on claims
- Warranty coverage commences Day 1
- Comprehensive coverage on Parts & Labour
- No Claim Forms - a phone call is all it takes
- We pay the repairer direct - no out of pocket expenses for items covered by our warranties
- Transferrable with Vessel to new owner
- Australia-Wide Repairer Network
- Even if you have a non-claim related problem, we will assist you
- Flexible coverage for New and Used Vessels
