# The Robert Adams Family Appeal

Certificate of Sanction No.: CP5362

May 6th, 2010

Dear Sir / Madam

We are raising money for Robert, Kylie Adams and their 3 children. Robert has been diagnosed with an advanced malignancy (cancer) that is not curable.

Up until eight weeks ago Robert did not have a care in the world, happily married to his loving wife, Kylie, with three beautiful children, a long and successful career in the motor trade which he enjoyed immensely, and even though he had a mortgage similar to our national debt, life was good. He felt bullet proof.

Eight weeks later, the impact the cancer has had on Robert and his health has shocked us all, but none more so than his family. After speaking to Robert it was clear that his main concern was not for himself, but for Kylie and his childrens financial future. Roberts greatest fear is that if the worst does happen, Kylie and the children face not only losing their husband and father, but will most likely have to sell their family home, move to a new school and start life all over again, adding even more pain and heartache in this already trying time. The impact on the children will be immense.

As a result, we have created **The Robert Adams Family Appeal**.

Please help us in raising our goal amount of **\$50,000** within the next 3 months by donating to **The Robert Adams Family Appeal**. 100% of every dollar you donate will go directly to Robert, Kylie and their children. Any amount you give will be greatly appreciated, and really will make a difference.

Sincerely

Ray Mahony
