The Robert Adams Family Appeal

Certificate of Sanction No.: CP5362

October 11th, 2010

An update on Roberts fight with cancer.

On behalf of Robert, Kylie and their family, I would like to thank everyone for your messages of support, and for those who have kindly contributed towards Roberts appeal.

Robert has never given up the fight with his cancer. In addition to chemotherapy, Robert has also tried other alternative therapies, in the hope of that one in a million miracle cure, or at the least giving him quality of life for many years. Unfortunately, as with many Australians with cancer, Robert is losing his battle with this terrible disease.

The cancer has now spread throughout Roberts body, to a point where even Robert has accepted that his hopes of a cure, or even prolonging his time with us, is no longer a realistic option.

Please continue to send your messages of support to Robert, as he always gets great pleasure out of reading your emails: radams@australianwarranty.com.au, or via the Appeal page at www.aswn.com.au.

To assist us in achieving our goal of **\$50,000** before the official end date of "The Robert Adams Family Appeal" (*registered appeal end date 31st October 2010*), we have some autographed sporting collectables that have been kindly donated to auction off for Robert.

These items have been placed for auction on eBay. Please take the time to have a look at the diverse range of quality sporting memorabilia on offer and make a bid. Alternatively, you may still donate directly to The Robert Adams Family Appeal using one of the convenient methods below.

To make a bid go to: stores.ebay.com.au/The-Robert-Adams-Family-Appeal and browse the fantastic items on offer, and 'Place a Bid'. We expect some fierce competition over these items, which won't last long, so get bidding and remember this is all for a great cause. Thank you for your generosity.

Sincerely

Ray Mahony
