DISCRETIONARY RISK OF THE WARRANTY

AWN has an absolute discretion as to whether it will or will not pay a claim that falls within the Warranty Terms and Conditions and Limitations. Although the discretion is absolute, AWN will not exercise that discretion in a way that is unfair and unconscionable, within the Terms and Conditions and Limitations of the Warranty, and will always consider the merit of the claim.

The level of protection is limited to the Covered Components listed under the heading Significant Characteristics of this Warranty only. There is also a risk when purchasing this Warranty that one or more of Your claims may exceed the Warranty claim limit for a particular Covered Component or exceed the total limit.

Detailed information about the Warranty claim limits for each benefit under Your Warranty is listed on Page 2A under the "Significant Characteristics of this Warranty". There is also risk that if You fail to meet any of the conditions attached in the Warranty, AWN may not exercise discretion in Your favour. Make sure You carefully read the Terms and Conditions for details of the servicing and other conditions that apply to this Warranty.
